The next screen will allow you to choose your classes. The screen after that will allow you to select how many stalls, including tack stalls, that you need, order shavings, and even sign up your non-showing horse.

When you are through with the fees screen, the next screen will allow you to review your entry information and check to be sure it is correct. When you are sure that it is, click the next button to submit it to the show. The next screen will allow you to print a copy of the entry for your records. Please drop me an email, text or give me a call if you have any problems with the process. I'll be happy to help with any issues.
