## **Covid 19 Practices:**

To insure a safe environment for exhibitors, staff and officials we would like to recommend/encourage some additional safety measures while at our show.

We would encourage you to take advantage of on-line entries ( [www.horseshowsonline.com](http://www.horseshowsonline.com))

We will also limit the number of individuals in the horse show office and be sure show information is available outside the office, ie entry forms schedules etc...

Perhaps assigning one individual from each barn to handle office business to help limit the number of people in the office during peak times such as checking in and out.

If you have been recently ill, suspect you might be ill, have been in contact with someone who is ill or are at high health risk, we would encourage you to stay home. While we obviously want you showing with us , your safety and the safety of others is our primary concern.

We would ask that you take safety precautions, wearing a mask when indoors and in high traffic areas. Maintain social distancing in the stabling area, office, and ingate. Practice frequent hand washing and the use of hand sanitizers and alcohol wipes.
